INVITATION

It is our immense pleasure to welcome you to International Conference to be held on 16th Feb. 2019.

ABOUT NARAYANRAO BABASAHEB EDUCATION SOCIETY-THE PARENT INSTITUTION

The lamp of education was lighted by His Highness Late Mr. Narayanrao Ghorpade, the Jahagirdar of the then Ichalkaranji province, by starting Govindrao High School. Thereafter, with the initiative taken by five ex-teachers of Govindrao High School, Shri Narayanrao Babasaheb Education Society was established in 1898, which presently manages seven different units providing education from KG to PG. The vision as exemplified by the founders is embodied in its motto as '*Satkriya Acharavi*', meaning 'the practice of quality behavior.'

Corresponding to the local needs of an industrious city of Ichalkaranji, Shri N.B. Education Society started Shri Venkatesh Mahavidyalaya in 1983 with a view to provide quality commerce education blending it with moral and civic values, relevant in the present context.

ABOUT SHRI VENKATESH MAHAVIDYALAYA, ICHALKARANJI

In line with the vision of the parent institution, Shri.Venkatesh Mahavidyala, since its inception in 1983, has been chequering the growth with the mission of '*imparting the quality education in commerce to all classes of society and moulding the students into socially responsible citizens and contributing to the development of human resources by enabling to meet the contemporary challenges*'. The college has come a long way since its modest beginning with 111 students in June, 1983 on no-grant basis for three initial years. Now 1756 students are taking commerce education across B. Com., B.B.A. and M.Com. courses. All classrooms are equipped with LCD projectors, two with Smart Boards and newly built-up Language Lab and AV-cum-Conference Hall have added value to imparting pedagogical contents.

Since the first batch in 1986, almost every year, our students have presence in the Merit List of Shivaji University, with a very few exception. During the span of 34 years, the college has the roll of honour of 34 University Merit Holders.

The college has undergone the third cycle of reaccreditation by NAAC, Bangalore, in October, 2017 and accredited at 'B' grade with CGPA of 2.31.

Along with B.Com. and M.Com. , the college has been running a professional course of B.B.A. since June 2008 and four short-term certificates courses. It is indeed a matter of proud privilege for us that our college has been accorded as the centre of C.A. Examinations by Institute of Chartered Accountants of India (ICAI) since May 2015.

THEME OF CONFERENCE

The conference, founded on four pillars namely internationalism, interdisciplinarity, inclusiveness and interaction, aims to bring innovative academics, researchers, practitioners, scholars and budding students on one common platform to present and discuss the most recent innovations, research concepts, trends, results, experiences relating to several disciplines with a view to foster research relations between universities and industries to gear up the growth and development at a faster rate.

This conference will bring together the best and innovative minds from academic fields and social and corporate world to discuss the issues, challenges, new trends, strategies, innovations and best practices in Commerce and Management, Economics and other Social Sciences , Science and Technology, Computer Science and Information Technology and Environment, Education , Literature and Law and the like.

CONFERENCE OBJECTIVES

- (1) To provide a platform for interactive sessions between researchers, practitioners, policymakers and academicians from a range of disciplines and countries
- (2) To provide a networking opportunity for exchange of multidisciplinary ideas with a hope to develop the solutions to the current issues that hinder the momentum of economic growth and development
- (3) To provide an opportunity to participants to learn about the best and state-of-art technologies, the best practices in various disciplines and global experiences
