Report

Bridge Course for Accountancy Department has been conducted by Mrs. S. T. Biranje to enhance the basic accountancy knowledge of the students. Bridge Course includes supplementary knowledge that can be provided to students to impart basic information that will be taught to them in upcoming future. This course is designed for those students who came from Non -Commerce course like Science, MCVC, Engineering and others because they do not possess the basic accounting knowledge. Due to Non-Commerce background these students are facing difficulties to acquire the knowledge of Accounting which are taught in 11th and 12th Standard. This course gives the superior progress stage to set themselves up before the beginning of Semester II. Total 5 students were participated for the above course.
