Name of the Invitee	Shri Mayuresh Bhanbure.

Detail Report:

One day workshop on E-Filling procedure of Direct Taxes-(13-11-2022)

One day workshop on E-Filling procedure of Direct Taxes on 13-11-2022. This workshop was organised for B.Com –III and M.Com- Part-I & II students because the E-filing procedure is the one of the part of the syllabus of B.Com and M.com. The E-filing procedure is incorporated under the Income tax paper. To give the practical experience about E-filing procedure this workshop was organised. Shri Mayuresh Bambure was invited as a resource person for this workshop.

Dr,S,H,Ambawade introduced the chief guest and explained the objectives of the programme. At the beginning of the programme she introduced about the programme. She highlighted that Electronic filling is becoming increasingly popular. In the traditional scenario, taxpayers had to depend on the postal service to know the status of their return. Since there are various stages in the ITR process namely filling, receiving, verification, revision, refund, etc, the whole process was very lengthy and time consuming in the pre-electronic days. E-filing saves the time of both tax filers as well as the income tax department as the mode of communication is email. Shri Mayuresh Bhambure was enlightened about the various aspects of the E-filing procedure. He explained that E-filing is the process of submitting tax returns over the Internet, using tax preparation software that has been pre-approved by the relevant tax authority. Who are Required to E-file their Tax Returns in India : There are number of cases where Income Tax Department has made it mandatory to e-file the returns. As per the statutory requirement of income tax act 1961 the

assessee earning income over a threshold limit of slab decided by government has to file his income tax return within a stipulated time period. Then the assessee has to organise all his documents in order to correctly and accurately upload his return on the e-filing portal of government of India. The second step is to create an account at the website for e-filing of income tax return (www.incometaxindiafilling.gov.in). After logging in the account, click the filling link appearing on the screen and select the assessment year and applicable ITR form. After incorporating all the necessary information in the correct ITR form, the assessee is required to upload all the particulars for further processing on the portal. The government has given an option of e-verifying assesses return within 120 days from the days of filling of return.

Principal Dr. V.A. Mane welcomed to the chief guest and deeply expressed that every students should learn how to complete the e-filing procedure. He suggested to the students that to become a tax consultant is very good career option. Tax is the very important aspect in the life of the every person. Total 75 students attended the programme. Mr.T.N.Mulla expressed their views about the programme and proposed the vote of thanks. Miss Mohini Anchliya compared the programme.
